LÉGÈRE LONGUE (LL)

Our Légère Longue toast contributes volume and aromatic freshness, and lends additional weight to the palate respecting the fruit with an elegant texture. This toast highlight white fresh fruits on white wines and subtle floral notes on red wines.

MOYENNE (M)

Our Moyenne toast offers a rounded mouthfeel and excellent length while preserving the fruit. This toast is known for delicate notes of spices and grilled bread.

MOYENNE PLUS (M+)

Focused on richness and texture, Moyenne Plus balances with wine to create excellent weight, length and complexity. Aromatics include notes of roasted nuts on white wines and black fruits for red wines.

CHEMINÉE SEASONING

Our premium French oak is seasoned using a unique, one-meter chimney stacking method. This artisan approach ensures our oak seasons naturally and evenly, with optimal air flow and exposure to the elements. In this way, we cultivate a softer oak profile with incredible consistency.

**We leave the barrel heads untoasted to provide optimal structure.*
